Bexleyheath was the venue for the 600, 550, 500 and 200 Club Championships and, as the scores detailed below indicate, some fine bowling resulted. Congratulations to all the winners but a special mention to DENIDE RONDEAU of Dagenham who made the 500 Club trophy her own personal property with a third consecutive win in this event:-

TOURNAMENT INFORMATION AND SUGGESTIONS

The bowling centre at Walton-on-Naze is situated on the pier rather in the same way as Southend. Parking is limited at the entrance to the pier but ample parking is available only a few hundred yards away. details of how to get there and where to park will be found in the tournament brochure when all the entries are in after closing date which is TUESDAY, 10th. APRIL at MIDNIGHT. Entry Forms are out and at every centre within SEBA. League secretaries are also in posession of them, and last years team captains.

Walton is a nine(yes NINE) lane centre with brunswick A2 Machines and the Manager JOHN GARNER will make all entrants particularly welcome. Those who bowled there in the 600, 500, 550 and 200 Club Championships last year will recall what a very pleasant centre is is complete with pro-shop and snack bar serving a good selection of meals and snacks. A good licensed club is a part of the complex and will be available to all

entrants with licensed extensions having been applied for.

With just 8 tournament lanes available scheduling will not be easy, and the chances of obtaining the squad timings you wish will be remote. It is suggested that, where possible, a weekend is put aside for your play and accomodation at this seaside is plentiful and reasonable. A list of local recommended residences for 'bed and breakfast' will also be in the brochure when it is prepared. It is the singles and doubles squads needed on the same day as the team event that will cause problems and local bowlers must expect not to be able to bowl and their events on the one day or even the one weekend.

FA Cup Final day is one of the days that have had to be included as a part of the tournament schedule. All football haters are particularly asked to request this day. The tournament this day will be run by socce hating tournament officials! Moaners, complainers and general dissident

will be scheduled on Lane 9!!!

The Opening Ceremony and "Joe Bowler" presentation will be prior to the 7p.m. Team Squad on Saturday 5th. May. Those wanting to join in the fun should apply early for this squad. You could be "Joe Bowler 1979!" A number of enquiries have been made recently upon lost or mislaid BTBA Cards. These have to be produced both at the BTBA Nationals and at the SEBA Championships. Failure to do so results in a mandatory collection non refundable - of £1.50. Do not forget your membership card and, if you have lost it, apply now direct to BTBA for a duplicate and do not forget a stamped and addressed envelope.

A new feature this year is the PRESIDENT'S TROPHY. This will be awarded annually to the team considered by the Tournament Committee to be the best turned out - either male or female. A cash prize will also be give

See you at Walton-on-Naze. Will this be another record entry?

Whilst a full report of the SEBA Annual General Meeting will appear in the next issue together with the list of elected officers it was felt only right to advise those leagues that were not represented this year that the delegates have voted that the donation to the Area as from 1st. September 1979 is to be 2p as against the amount that has been paid for the past six years, i.e. 1p. The simple reason is inflation. 1p today buys less than half of what it did six years ago and, to even break even, an increase had to come about to maintain the services

Trying to fit the SEBA Masters into a very tight Area Championships schedule is proving more and more difficult as the years go by and the entries increase. For 1979 it has been decided that the Masters events will be run alongside a new SEBA Mixed Doubles tournament, details of which will be announced later. On this basis the TWO all events champions from 1978 and 1979 will be seeded into the event together with the singles champions from both years plus the 600 and 500 club high scorers and the highest scorers from the scratch all events of THIS YEARS
