

# Scene Around SEBA

Mecca showing their superiority once again bowled 2477 which remained unbeatable, in fact over the last two years only 3 x 2400 have been bowled. This time however, it was Colin Presland's turn to outshine his team mate Keith Prangnell, bowling a superb 1284 to Keith's 1193, over 6 games. Although there were few 2400's the cut for the singles (Top 20) was 1193 and with Keith being made favourite to win by the locals, needed a good set to get him into the top 10. However, his 550 was not sufficient, so he had to be satisfied with 14th place. Colin though managed to maintain his form and over the next 7 games ended in pole position with a tournament average of 203.

Once again Mecca had it away with both the singles and the doubles for the second year running.

The tournament, however, is a long one with the finals of the singles finishing at 11.00 pm making it the 04.30 am ferry back from Calais. All together though, a very pleasant weekend making it all the more enjoyable with my 26 guilders win on the fruit machine and of course the 2600 guilders win at Bowling.

SEE YOU NEXT YEAR —  
TILBURG.

# FOR LEAGUE PRESIDENT ONLY

As President of a BTBA sanctioned league YOU are personally responsible for the safety of your League's funds. Apart from presiding at meetings of your league you should be certain that:—

- 1 Your League's weekly trophy monies are not only collected by your Treasurer but are BANKED by him.
- 2 The Bank account is in the name of your League NOT in the name of a league official.
- 3 The Bank provides a statement of account MONTHLY and that the account is posted to YOU. After checking what *should be* in the Bank with the amount that *is there* pass the statement duly signed to your treasurer for his file.
- 4 At least TWO SIGNATURES are required before any money can be paid out by the Bank. YOUR signature must be one of these and the other can be either the Secretary or Treasurer.

These simple duties will ensure that your league's presentation is a happy one. We KNOW you trust the treasurer. We KNOW he's a friend of yours — but do your job anyway. The funds of YOUR league are your personal responsibility. Don't let your league or yourself down!
