23rd SEBA AREA CHAMPIONSHIPS Viva! Walton on Naze

The 1985 SEBA ANNUAL CHAMPIONSHIPS will go down in my book as one of the best!

You bowled from dawn to past midnight. We dragged ourselves home, or off to our hotel to throw our tired little bodies on to the bed to revive ourselves for the next day.

When at work on Mondays no doubt we looked as we felt, knackered. I lost count the number of times I was asked if the job was keeping me up.

**WAS IT WORTH IT?
YOU BET IT WAS!**

High games accompanied by not so high games that would qualify the players for the failure club.

Personal Best Games and Series that will live for ever in the moments of glory.

The pain of having to wait to see if the glue that held score cards on to the leader board would be strong enough to resist its removal when someone had beaten you by a few pins to take you down the list.

"How far down did the prize fund go?" You ask yourself, wishing you had kept the list you had picked up at registration.

Many of you may still be having nightmares of seeing your ball turn /fifteen boards when you usually struggle to make it turn seven.

Well all that is behind us now, and all there is left to do is say who won what.

REGULAR ALL EVENTS
SCRATCH CHAMPION
1985

MARK PRESLEY

Although Mark is our Scratch All Events Champion, I would be surprised if he is not saying to himself, "Why did I not hit my high series in the singles?"

Mark's nine games read Singles 546, Doubles 619, Team 652. If they had been the other way round the scratch singles title would have gone to Southend, but it didn't.

Walton's Terry Hewitt hit a very steady 614, 585, 584 for 1783 took 2nd place. Whilst another IF ONLY series Alan Hutchins 516, 518, 687 for 1721 and third place in the Scratch All Events. Alan's team series read 217, 214, 256.

**Am I right Mark and Alan?
IF ONLY . . .**

REGULAR ALL EVENTS
CHAMPION
1985

GERRY COOPER

Here is a story right from the heart. Gerry is everybody's League Bowler. Loves the game, loves the people who play the game, enters tournaments because he likes entering tournaments.

Mr nice guy, (except when he goes round Bexleyheath chatting up all my birds.)

Well anyway, Walton happened for Gerry. 530 scratch in the

singles. 651 scratch in the doubles with a 246 game, Gerry then went potty in the team event 202, 251, 178, for 631 and the Handicap All Events Title with a total plus handicap of 2082

**Here we have another
IF ONLY . . .**

If Gerry had entered Scratch Mr Nice Guy would have been very rich. Instead I think I will make him a member of the most famous Club in Tenpin Bowling.

Welcome to the FAILURE CLUB
GERRY COOPER.

Second to Gerry was Mark Presley, 3rd Paul Crundell from Cliftonville, who, as I have said in the past has won a few SEBA Championships.

REGULAR SCRATCH SINGLES
CHAMPION
1985

SEAN PURCELL

Sean kept everyone waiting until the last day and knocked everyone down a place with only two squads to go in the singles event. 653 took the event from TERRY HEWITT by 39 pins. Terry had taken the lead from CHRIS WINTER who held the lead for one week.

This game can be very unfriendly at times, particularly when the tournament is spread over several weeks. Can't it Chris?

SEBA Area Championships

REGULAR HANDICAP SINGLES CHAMPION 1985

SEAN PURCELL

Not only did Sean win the scratch title, but he also won the handicap title on the last day from Nigel McCall who had eased Alan Downing into second place one squad earlier. Alan had played above his average the week before, and now found himself in third place for his efforts.

Well done Sean.

REGULAR SCRATCH & HANDICAP DOUBLES CHAMPIONS 1985

MARK WARMAN & RICKY POST

Mark and Ricky from Cliftonville played the waiting game over second place pair in the scratch doubles Keith Hodge and Alan Kirk.

The Bexley pair had held the lead for two weeks, but squad 26 was to change all that.

Mark hit 226, 223, 191 for 640. Ricky scored 202, 174, 200 for 576. Their combined scores scratch was 1216, 68 pins up on Keith and Alan.

Rob Stanley and Gerry Cooper had led the handicap doubles for two weeks until squad 26, when they were overhauled by our Champions Graham Holland and Steve Post. While I remember, Mark and Ricky have set a new Regular Doubles Handicap Record with 1387.

Congratulations to both of you.

REGULAR SCRATCH TEAM CHAMPIONS 1985

THE TRAVELLERS

There is not much left to say about the Travellers except that they are the first team to win this event in our 23 year history three times in a row.

Other teams have won this title more than three times, but not in a row.

The Travellers are

Mark Presley 203 211 238 = 652
Alan Kersey 215 202 177 = 594
Marc Carver 188 201 195 = 584
Pete Butcher 164 190 192 = 546
John Coote 171 136 175 = 482

Total 914 940 978 = 2858

REGULAR HANDICAP TEAM CHAMPIONS 1985

B.T. BOWLING PRODUCTS

Try hard as every team did, no one could unseat our Champions. They led from start to finish congratulations to Steve Carnall, Vince Bull, Alan Hutchins, Pat Duggan and Billy Preston. Second was the Travellers, third The Walton Pro Shop.

The ladies event was not without its last minute drama. Jan Hodge had taken the lead half way through the Championships, and had to wait two weeks before she could claim her title. Her scores read 555 in the singles, 505 in the doubles, and 564 in the team.

Second place Debbie Heffer had completed her singles and doubles earlier, but had left the team event to the last day. Several other ladies had done the same, but try as they might they were not able to unseat Jan.

THE LADIES SCRATCH ALL EVENTS CHAMPION 1985

JAN HODGE

Well done Jan, a worthy champion.
2nd Debbie Heffer
3rd Joan Nutt.

THE LADIES HANDICAP ALL EVENTS CHAMPION 1985

DEBBIE HEFFER

Debbie snatched the lead from Kaye Cudmore on the last day. Kaye had led from day one after scoring a personal best game and series in the team event. It would be impossible for me to be impartial in this matter, because Kaye is my sister and she hit her first 200 with 205, and scored her first 500 with 506 after a few years bowling.

SEBA Area Championships

Debbie had a few problems in obtaining her title, none more distracting than one of the opposing team fainting during the team event. But win she did by 12 pins. Well done Debbie you now have the Ladies Handicap All Events title to add to the Scratch All Events title you won in 1979.

2nd Kaye Cudmore
3rd Dot Edwards

LADIES HANDICAP SINGLES CHAMPION 1985

JAN HODGE

Jan held off all challengers during her march to victory, and her 555 series was sufficient by only one pin over Lyn Purcell and Debbie Heffer who had tied for second place. Sheila White finished in fourth place only 2 pins down on the new champion. That event could not have been closer if it had tried!

LADIES HANDICAP SINGLES CHAMPION 1985

ROSEMARY BENTLEY

Rosemary's challenge came late in the Championships, Margaret Shrimpton ('Er in Doors) had led from day one, but the glue J.C. had used to stick her name to the score board was not strong enough to stop it sliding down the leader board.

Debbie Heffer was the first to take the lead by 5 pins, then on the last day Stevie Summers from Southend hit the same handicap score as Debbie for joint leadership that lasted only until Rose Bentley added 4 pins to take the lead with 658. Only nine pins separated 1st down to 4th place. Well done ladies, you made this event well worth following during the championships. Congratulations Rose, you are the Champion.

LADIES SCRATCH DOUBLES CHAMPIONS 1985

DEBBIE HEFFER AND SHIRLEY PREVOST

Elaine and Chris Lodge held out high hopes that they could repeat their success at Cliftonville, but it was not to be, for as time went by, three other pairs went straight past their total. Debbie and Shirley, the eventual Champions, followed by

Jackie Playford and Lindsey Clarke, then Tracey Westbrook and Ruth Molineaux.

LADIES HANDICAP DOUBLES CHAMPIONS 1985

DEBBIE HEFFER AND SHIRLEY PREVOST

Nothing by halves for this Walton pair, and I am sure they will be hard pressed at next years Championships at Bexleyheath. For this year they were chased by some of our best ladies doubles.

2nd Chris and Gina Twomey (Dag)
3rd Jackie Playford and Lindsey Clarke (Bex)

LADIES SCRATCH TEAM CHAMPIONS 1985

ALPHA OMEGA KOUPEIO

Before anyone else asks; Koupeio means LADIES — Greek I think?

Well anyway, they individually are:-
Elaine Lodge, Jan Hodge, Jan Hannan, Sheila White and Chris Lodge. Talented lot, Don't you know?

The rest of us in the squad will have to bow, scrape, and touch our forelocks for at least six months until the fact that they are Champions wears off.

LADIES HANDICAP TEAM CHAMPIONS 1985

THE HUSHAWAYS

The ladies are from Bexleyheath: Dot Edwards, Gill Gibb, a very nervous Julie Graham, The Governor Janet Morrison and Edith Challoner.

Their handicap score of 2953 held off Carol's Team from Clifton-

vile, and stopped Alpha Omega Koupeio from doing the ladies team double.

During our little thrash up at Walton we staged the SEBA MASTERS, where J.C. invited a few herbets to have a chuck. All right all right don't get all excited, they are all my friends, and I shall call them herbets if I like, 'cos we paid for them to have a chuck so there. All right, all right if you're feeling fragile and after all this is a family mag! I shall moderate my language, but I shall be brief, 'cos I've lost last year's report, where I could change the names and scores, and you dozey lot would not know the difference.

The Lovely Ann Finch is the SEBA Ladies Masters Champion, and the other ladies she defeated, if I can find them, were: defending SEBA 1984 Ladies Masters Champion Lyn Purcell, Jan Hodge, Stevie Summers, Sheila White, Marion Drury, Ruth Molineaux, Chris Lodge, Irene Dummett, Sue Wright, Jan Cormack and Sue Trott.

The Mens Masters Champion is TERRY HEWITT he and ANN are Walton bowlers and will be called upon to defend their title next year at Bexleyheath.

Terry won the 1985 title with a 200 plus average and took the title from Mark Presley stopping him doing the treble.

My commiseration to the losers:—

Sean Purcell, John Coote, Paul Crundell, Pete Butcher, John Mills, Keith Hodge, Chas Painter, Brian Green, Dave Lehrian, Steve White and Marc Carver.

National Championships, Stevenage

The National Championships this year returned to Stevenage after four years. No records were broken this year as far as I can tell.

A few new names, and some familiar old names, to add to the roll of honour.

Champion of Champions for 1985 is none other than Geoff Buck from the Airport.

Geoff entered the event with a 200 average, and must have been one of the even money favourites before the event came under orders.

Ninety pins separated him from Dave Huxtable, unlike 1976 when Geoff tied with Brian Michael for the Scratch All Events Title.

With a total of 1874, averaging 208 the title is all his until next year.

2nd Place — Dave Huxtable.

3rd Place — Neil Lemnaquais

The All Event Handicap Champion is Andy Merriman from Wokingham, a 145 average bowler who will no doubt remember his day out at Stevenage.

Mind you with a 145 average I don't suppose for one minute he had any thoughts of making off with the title when he entered the National Championship, his 1959 with handicap was sufficient.

Congratulations — Andy Merriman.

2nd Place — Dave Hood

3rd Place Geoff Buck.

Singles Scratch Champion — Dave Huxtable.

Dave from Acocks Green found form and bowled 75 pins over average for the scratch title.

Well done Dave a true moment in bowling history when another name is added to the roll of honour. Wear the title well until next year when you will have to defend it.

2nd Place — Colin Presland.

3rd Place Mike Rogacs.

Single Handicap Champion — Dave Cook.

Dave from Hemel Hempstead is a 150 average bowler, thereby blowing the theory that the Nationals belong to the high rollers! It doesn't, it belongs to the participants.

If you don't enter you can't win. Dave entered scored 702 with handicap and is the Champion.

Well done long may you remember the 1985 Nationals at Stevenage.

2nd Place — Colin Presland

3rd Place — Mike Rogacs

The Doubles Scratch Champions are Alan Maskell and Bernie White their combined totals added up to 1224, for the first prize of £150. Now I think B. White is none other than Bernie White, the Inter County Secretary, and there is no truth in the rumour that we all let him and his mate win so that we all could get in to an easier county group.

It's not true!

2nd Place — Colin Presland and Keith Prangnell.

3rd Place — Bruce Pearce and Bill Mardell.

The Handicap Doubles Champions are Nigel & Malcolm Hunn, from Great Yarmouth their combined entering average is 329, they won the handicap title with 1390, 81 pins from their nearest rivals.

Congratulations to Nigel and Malcolm.

2nd Place — David Crouch and Malcolm Smith.

3rd Place — Alans Bugs and Shaun Smyton.

Scratch Team Champions — Rainbow Carpets from the Airport. Alan Fawcett, Tommy Marshall, Syd Symmonds, Chris Buck and Geoff Buck, their scratch score of 2884 was only 4 pins in front of the Samurais from Stevenage.

2nd Place — The Samurais.

Alan Keeble, Keith Bannister, Tony Butterfield, Dave Walmsley and Barry Clifford.

3rd Place — YAC Gents 1.

Keith Jeffrey, Lee Wiseman, Mike Spencer, Darren Creamer and Jim O'Dwyer.

The Handicap Team Champions — The Samurais.

Another 4 pins and they would have done the double.

2nd Place — Barclays 2.

Neil Maidement, Ian Scott-Taylor, Chris Harris, Dave Gibbins and Derek Ridyard.

3rd Place — The Cavaliers from Whitstable.

Roland Foxley, Robert Peats, Chris Smith, Sean Purcell and Keith Luxton.

Ladies All Avents Champion Scratch and Handicap — Gillian Wandless from Sunderland.

Gillian hit 1759 scratch, 1939 with handicap. Not a new record, but she is the eleventh Ladies All Events Champion to do the double.

2nd Place — Scratch and Handicap — Linda Woodham.

3rd Place Scratch — Sheila Leonard.

3rd Place Handicap — Ruth Molineaux.

Ladies Scratch and Handicap Singles Champion — Linda Woodham from Leeds.

618 scratch, 688 with handicap, and Linda becomes a member of the elite by being the seventh girl to win both titles.

2nd Place — Scratch and Handicap — Gillian Wandless.

3rd Place — Scratch — Gill Holt.

3rd Place — Handicap — Tina Hicks.

Ladies Doubles Scratch — Goldie Castle and Sheila Leonard 1209.

2nd Place — Judy Robins and Jane Viot.

3rd Place — Sue Megson and Cathie Hill.

Ladies Doubles Handicap — Pam Clarke and Lisa Hill from Ilkeston 1299.

2nd Place — Goldie Castle and Sheila Leonard.

3rd Place — Joan and Penny Garratt.

Ladies Scratch Team Champions Tutti Frutti — 2699.

Judy Robins, Gil Bevan, Jan Hodge, Pat Blaber and Jane Viot.

Congratulations, you have successfully defended your 1984 title.

2nd Place — Yorkshire Bank 'A' Sue Megson, Hilda Gifford, Lynne Giles, Gina Wardel and Cathie Hill.

Ladies Handicap Team Champions — Huntress.

Dolly Hart, Joy Frankland, Audrey Pond, Bertha Hill and Tina Hitchman.
