Supreme League

A reborn Supreme League came to a thrilling end on the 24th March. Thanks to Jack Crichton and Consolidated Glass who has sponsored the league to revive it as a five person team event.

The league started on a short programme hoping to encourage teams to join later in the year. That was October 11th and from that date the Southend Travellers had a very good start and opened a substantial lead over Consolidated Glass until early Feb. when CG edged in front with one week to go.

All depended on one result, The Travellers v. Bill Taylor Bowling Products. A win for the Travellers, and they would take the League. A win for B.T. Products and they would move up the league.

B.T. Products defeated The Travellers 6 points to 2 and the Supreme League Championships went to Consolidated Glass.

2nd The Travellers
 3rd Kingcraft

4th B.T. Bowling Products.

A very good start for the League sponsor and his team.

During the season Simon Brown of Complete Leisure came very close to scoring a perfect game with 298.

Bob Hayter keeping the Supreme Leagues tradition of high scorers with a magnificent 738.

Bob's first game finished with 8 in a row, he then hit 4 in a row in the opening four frames of the second game. Twelve consecutive strikes but not all in the same game, how sad. The second game finished as it had began, with another 4 in a row for 257. 534 after two games and Bob had hit 20 strikes out of 23 balls.

Game 3 saw Bob hit a double,

his nerves were really starting to bubble, 166 for a 700 series, or 266 for 800. Just keep the ball up to the pins. His hopes of a 800 disappeared when he left the 6-7-10 in the fifth frame, then left the 7 pin in the tenth frame, the only pin he missed all night for a 204 last game, a 738 series and fifth place in Dagenham's 700 Club.

Well Done Bobby.

Roy Myhill the league secretary has combed through his league records and raked out a few scores:

Roy Myhill 266-254-205 for 725.
 Dave LeHarian 214-235-246 for 695.
 Jack Crichton 268 game during his 614 series and Frank Brown 222-159-233 for 614. A Failure Club score if I'm not mistaken. The Travellers a 1061 game during their 2953 series. Consolidated Glass a 1070 game during a 2898 series and a 1078 game during a 2993 series. Last but not least T.M.F. Motors 1031 game during a 2960 series.

Polaris League

Sylvia Bater (nee Fountain) has joined the Polaris League after being absent from the sport for five years. Sylvia, prior to being married, was a member of the Round Britain Team, now bowls with the Liberty Takers and is making a fine come back to bowling with series of 513 and 577.

Roy and Jenny Myhill otherwise known as Non-Sequtur have made it in to the Area Hi's with a 1175 series, during which they hit a 400 game. Roy hit a 247 single game during his 653 series.

Masters League

Kingcraft take the lead in the Area Hi's with a trios series of 1849 that included a 863 game. John Ward hit the Hi Series with 643. Dave Lehrian scored 258 during their 863 game. Joan Nutt helped things along with a 589 series that included a 220 game.

Juniors

Mark Sullivan 252. Nils Hoversholm 243 for a 495 doubles game with puts them into 2nd place in the Men's doubles and 1st and 2nd place in the Junior division on the back page.
