Club Entries

If your name has not appeared in these columns during the year and, you know you have bowled a score which is good enough to qualify, ask your League Secretary for an entry form. The entry costs nothing!

Qualification for the various Clubs is as follows:
200 CLUB bowlers with an average of 159 and under, or first year bowlers
500 CLUB Ladies only, no average restrictions
550 CLUB bowlers with an average of 169 or under
600 CLUB no restrictions.

Providing your League, or you as an individual pay SEBA dues you are eligible to enter. Only those bowlers who send in entry forms are invited to compete in the SEBA Club championships held each year. The next tournament will be held in March 1988 to find the 1987 champions.

We are currently having some problems getting our entry forms printed, so if your secretary has run out please write to me, at the address below, with details of your scores and I will record your entry.

Christine Lodge, SEBA Asst. Secretary, 28 Heathside Avenue, Bexleyheath, Kent DA7 4PZ.

Junior Jottings

Bexleyheath

Success came to Bexleyheath YBC, who are temporarily in exile at Lewisham, in this year's Junior Nationals held at Stevenage. In the Bantam Girls Singles (under 10 years old), eight year old Joanne Jepp was second to win a silver medal and then joined with nine year old Katy Wise to win a bronze medal in the Bantam Doubles, only being beaten by two boy's teams. In the Junior 1 Doubles for Girls (10 to 12 years old) Joanne Dodd and Nicola Harvey were second to win silver medals and bring the total tally of medals to five, which is the highest number ever won in one year by the youngsters of Bexleyheath.

More success came in the Junior Masters event held at Airport Bowl in June, when separate Girls events were introduced for the first time. In the lower division (average 149 and below), Michaela Goodwin finished third in the three game qualifying sec-

tion with a 453 series to go into the 6 person round robin final. Coming into the position round, Michaela was lying second but slipped in the final game to finish in third place.

The regular Saturday league is attracting a steady attendance on the weekly Coach from Bexleyheath and the youngsters have soon got to grips with the Magiscore system. We have all been made most welcome by the Lewisham Bowl Staff and the Lewisham YBC.

The results of the 1987 Summer Season are:—

Division 1
 Winners — Vampires
 Steven Dodd
 Joanne Dodd
 Lee Wagner
 Second — Nagged
 Neil Webb
 Robert Petherick
 Daniel Jepp
 Paul Stickland

Division 2
 Winners — Dolly Mixtures
 Joanne Shrimpton
 Karen Thick
 Joanne Jepp
 Katy Wise
 Season High Game —
 Lee Wagner
 Season High Series —
 Richard Prestidge

Dagenham YBC
 Current High Averages in the Dagenham YBC are:—
 Richard Webster 178
 Paul Freeman 175
 Elliott Twomey 162
 Chris Connor 161
 Alison Freeman 156
 Matthew Sloane 152

Seba Travelling League Tour of U.S.A.

At the end of July, 172 people, the majority of whom were regular Bowlers, assembled at Gatwick Airport to start a memorable Tour to Connecticut in the U.S.A.

The original idea was conceived by the organiser, Chas Dummett, and the ultimate success of the Tour was the result of both his efforts and those of our hosts in America, 'Bowlmaster' and the Connecticut Bowling Proprietors Association.

On the first day, we all had the opportunity of buying bowling equipment at 'Bowlmaster' from an extremely wide range, with practical help on hand at local lanes from four professional bowlers, Don Johnson, Mark Roth, Joe Beradi and Dick Weber. We are sure that our hosts were overwhelmed by the quantity of purchases, which were encouraged by the extremely low prices with which we were confronted. We shall not make the readers mouth water any further. Every member of the party was presented with a Bowling Shirt, which will now be seen on many future occasions in British Bowls (it is easy to recognise and has the word 'travelling' spelt the American way with only one 'l').

In the evening, we were entertained by our hosts at an excellent Welcoming Banquet. Following the playing of the National Anthems, messages of greeting were read out from the White House, the Governor of Connecticut, William O'Neil and U.S. Senator, Christopher Dodd. Speeches of welcome were then made by our hosts, Bob Maulucci, the Present of 'Bowlmaster', Vic Puia, the President, Ken West the Executive Director and Bill DeDominicis, the Secretary/Treasurer, all of the Connecticut Bowling Proprietors Association.

During the first weekend, the whole party were invited to participate in the Singles event organised by the National Independent Tour (N.I.T.) at Simsbury Lanes, which are owned and operated by the Puia family. In the USA, it is normal for Leagues to run during the Winter season only, with Tournaments allocated to the Summer months. The N.I.T. is restricted

to regular Bowlers having an average of 190 and below. This made it very easy to accommodate our party for a Tournament where the prize money had been specifically increased with a first prize of \$1200.00.

On a handicap system, four games were bowled, the field cut to 33 on the second day for a further four games and then to the leading five for a step-ladder final.

From a total entry of 292, our hosts were surprised to find the SEBA bowlers giving a good account of themselves — maybe it was the money on the table. When it came to the first cut, 18 out of 33 were from our party and as we came to the step ladder, we were delighted to find 4 out of 5 competing for the first prize.

As often happens in step-ladder finals, the nerves began to take over, but there was plenty to cheer for all the Brits watching as the lone American, Chuck Norris, was beaten into fourth place. In the all British final, Dave Lehrian from Southend/Dagenham beat young Phil Clarke from the Midlands with Matt Rayner finishing third and Brian Greene fifth.

1st Place Dave Lehrian
2nd Place Phil Clarke
3rd Place Matt Rayner
4th Place Chuck Norris
5th Place Brian Greene

On a personal note, it should be recorded for posterity that your Editor finished in 44th place and picked up \$23.00 in prize money, not surprisingly his first ever prize from the sport.

The celebrations of Dave's success went on well into the night, and the word soon spread around Connecticut that the 'Brits' were no pushover.

On the second weekend we were back at Simsbury Lanes for a Doubles Tournament again run by the N.I.T. for another first prize of \$1200.00.

This time, the Tournament was a straightforward competi-

tion over two games only, with handicap. Being a re-entry Tournament, there were many Anglo-American pairings, but the Americans were very determined that the first prize should remain in Connecticut, which it did, the winners being Roger Wolcott and Teddy Raymundo. Irene Dummett finished second with an American partner, Bill Cheetham, with the first English pairing, Barry Emberson and Roy Ashenden in fourth place. During the Tournament, Roy bowled a personal high game of 275, was presented with a special plaque at the last night Banquet and from latest reports is still celebrating. Prize money was paid down to 50th place and in number of bowlers was split 50/50 between the English and American participants.

On most evenings, matches were arranged at various Centres throughout Connecticut and Southern Massachusetts. The party was divided into three sections with a coachload going to one of three Centres on each of nine evenings. With little duplication, over 20 different Bowls were visited, most of which had at least 40 lanes on one level.

On Coach No. 3, we kept detailed statistics of all the matches. Four Games were bowled each evening by 40 Bowlers on each side with handicap, the handicap for the English bowlers being taken from their leagues in the U.K.

Over the nine evenings, a total of 50 Bowlers were used, including two youngsters drafted in when the pace began to take its toll near the end of the Tour. Of these 50 Bowlers, 32 ended up bowling above their entering average and only 18 below average. The pattern was very clear in that each evening we were losing the first game to the Americans, but as we became used to the local conditions, the scores improved and most evenings, we ran out easy winners.

Bearing in mind that the local Bowlers do not have league bowling in the summer months,

SEBA Tour of USA

(from page 7)

the lane conditions were very consistent at nearly all the Centres and the English were bowling almost every night, it was almost inevitable that we should be recording higher than average scores. Mind you, there were factors acting against good scoring. Many were bowling with brand new Balls, but professionals were on hand to make minor adjustments at all Centres and our hosts soon discovered that many were partial to Budweiser draught beer, and mysteriously glasses were constantly being topped up throughout the evening on all lanes.

Special mention should be made of Malcolm Collier from Hemel Hempstead who averaged 180.1 over 36 games (entering average 167) to take many of the evening 'pots' and to Anita Ashenden from Dagenham, who originally was not planning to bowl on this Tour. Anita stepped into the breach to bowl on two evenings to beat her average by 16 pins, which is certainly more than her husband achieved. Meanwhile, their son, Daniel, approaching his fourth birthday, was introduced to the Sport and thoroughly enjoyed the experience particularly on the lanes provided with bumpers (inflatable cushions placed in the gutters to allow the ball to bounce back into the pins).

On the last evening, we were able to organise a return Banquet to thank our hosts, and speeches from Alison Teasdale representing the North-East contingent, Trevor Birch for the Southern Counties, Jerry Lodge for Kent and Brian Molinèaux for Essex attempted to express the feelings of the whole Group but we were all put in the shade by the concluding speech from Vic Puia, who very amusingly demonstrated his grasp of the subtleties of the 'English' language.

It would be wrong to say that there were no problems regarding the organisation of this Tour, but when considering the task of moving 172 people around an area equivalent to the

size of England for a period of 16 days without someone becoming upset is an impossibility. However, the majority of people on the Tour will have returned to their homes with many happy memories and experiences which can only whet their appetites to return to a most hospitable area of the United States where the 'Brits' were made so welcome.

Junior Jottings

Junior Inter-Counties

This year, the Junior Inter-Counties was held at Harrow.

The Girls Event was won by the Home team, Middlesex, with a score of 3930 for a four person Team over 6 Games. The Essex Team of Maxine Summers, Alison Hampton, Siobhann Twomey, Dawn Saunders, Julie Almond and Alison Freeman finished a creditable seventh. The Kent Team was very young this year, but bowled well and finished two places off the bottom. The Team was Jennie Wise, Nicola Harvey, Michaela Goodwin, Karen Thick, Teresa Memmott and Claire Miller.

In the Boys Event, Kent were away to a great start and after the first set of three games were lying second to the eventual winners, Yorkshire. Unfortunately, Kent fell away badly in their second set after lunch and sadly missed Steven Dodd, who had a prior football playing commitment that could not be broken. Kent finished in fourteenth place, one pin behind London and 30 pins ahead of Essex. For Kent, Steven Dodd averaged 179 over 3 games, Robert Petherick 175 over 6 and Neil Webb 168 over 6 with Richard Prestidge, Lee Wagner, Simon Carter and Daniel Jepp completing the Squad. For Essex, Lee Lazarus averaged 170 over 3, Richard Webster 166 (4), Micky Maher 164 (5) and Elliott Twomey 164 (5) with David Coote, Peter Ferguson and Denis Quirke making up the Squad.

Whitstable

Due to the refurbishment of Whitstable Bowl in December/January, the winter schedule was running a couple of weeks behind schedule. The latest information to hand is that an exciting finale is in store as Cavaliers just have their heads in front of the Roughnecks with the Jokers leading the rest of the chasing pack. On the individual scene, Roland Foxey (average 188) is leading from Mike Luckhurst and Sean Purcell, both on 186.

Some of the high scores recently recorded include:

Mens Singles — 3 games

Roland Foxey 674 & 662

Mick Luckhurst 674

Mens Singles — 1 game

Chris Smith 255

Mick Luckhurst 255

Ladies Singles — 3 games

Angela Croft 624

Ladies Singles — 1 game

Yvonne Bright 235

4 Person Team — 3 games

Roughnecks 2370

Cavaliers 2367

4 Person Team — 1 game

Roughnecks 861

Cavaliers 837

In the 4 Person Team high scores, the individual scores were:

	Game	Series
Ken Barnard	177	533
Bill Couchman	214	590
Sean Purcell	218	636
Roy Filler	252	611
