heals of the top four. In the final match S & S MOTORS drew 4-4 with DEMOLITION thanks to a 583 series from Andy Jasper.

## Week 13

**DEMOLITION 6 v BOWLMASTER** 2. A closely fought contest with Demolition just having the edge in the handicap stakes. Good series were recorded by Mike Luckhurst. with a 658 that included a 270 game for Bowlmaster and Steve Eastop with a 589 for Demolition.

S & S MOTORS 8 v FOUR MUSK-ATEERS 0. A tight match with the first two games going right down to the final frames. S & S just managed to win by a "neck". Despite this defeat the Muskateers still remain joint League Leaders.

EASTENDERS 8 v ON STRIKE 0. In a low scoring match the undoubted highlight was the fine 651 series of Steve Milham that included a 257 game. This series alone was worthy of the eight points.

KAMIKAZI TRIO 6 v HIGHROLL-ERS 2. Probably the closest match of the season so far saw Kamikazi Trio inch home by just 2 pins overall. All three games were photo finishes with the result depending on the final ball.

CAPOS 6 v SPLITZ 2. Another very competitive match with Capos just managing to "nock" the two bonus points by 11 pins.

Failure of the week this week had a touch of class as Mike Luckhurst must have fallen off his "cake trolley" to roll a 153 game between games of 235 and 270.

Editor's Note - This beats Steve White's Olympic League competition of the biggest difference between two consecutive games. Ivan Amos could only manage 101, Mike managed 117, can anyone beat this?

Week 14 - AN "ANDY" NIGHT FOR SOME.

MANHATTANS 8 V ON STRIKE O. A tidy 611 series, that included a 237 game by Andy Allerton secured the eight points for Manhattans against On Strike, who only just lost out in the very close first two

**DEMOLITION 8 v THE NOMADS** 0. Playing one man short the Nomads were never in the hunt against Demolition who put together three consecutive games. TWELVE

KAMIKAZI TRIO 6 v SPLITZ 2. The Trio just managed the better of Splitz in this evenly matched contest with "Eric the Viking" rolling a 540 series. For Splitz, Nick Kayzer had 532 and Steve Saville a 519.

S & S MOTORS 4 v BOWLMAST-ER 4. A keenly fought match with good scoring on both sides with Andy Jasper the high man on a 610 series that included a 235 game. The see saw tussle ending in an honourable draw.

HIGH ROLLERS 6 v FOUR MUSKATEERS 2. Off to a flying start the Muskateers were soon caught and passed by the rollers with Larry Saunders rolling a 555 series.

Failures of the week for just avoiding two fingers (sorry figures) were Barry Skelton 110, Karl Horton 112 and Graham Roff 114

Week 15

NOMADS 8 V EASTENDERS ( The Nomads put together three fine games made up from series of 595 from Peter Baldwin, 568 from Steve Wilson and 567 from John Smith, to easily dispose of Eastenders and set a new High League Series in the process of 1898

FOUR MUSKATEERS 8 V SPLITZ 0. League leaders Muskateers easi. ly accounted for Splitz with Graham Roff being star man with a 588 series (that 600 can't be far away Graham).

MANHATTANS 8 V CAPOS 0 Capos, obviously weighed down by their "Livery", were no match for Manhattans on this occasion. Three steady games were enough to see Manhattans home.

DEMOLITION 6 v ON STRIKE 2 Demolition, the most improved

## Bert & Vicky Timms Memorial Mixed Doubles Championships

at BEXLEYHEATH SUPER BOWL

team of recent weeks continued their climb to 4th place with this victory although just another 6 pins by the ladies in the last game could have forced a 4 all draw.

BOWLMASTER 6 v HIGH ROLL-ERS 2. Bowlmaster cruised into 2nd place by virtue of this victory with Mike Luckhurst 603 and Gary Steventon 577 doing the damage.

KAMIKAZI TRIO 6 v S & S MOTORS 2. The Trio once again the thorn in the side of Motors, collected 6 points from this "close" tussle. For the victors the ever improving Eric Woodrull rolled a 584 series.

## **MONDAY TRIOS from Rosemary Bentley**

We are now into round two. HITS & MISS are leading the way with 41 points. THE IN CROWD 38 and JACK & DANNY on 37. But between top and bottom all teams are fairly close.

Team High Series is held by TOP HATS, Tom Sawyer bowled 594, Malcolm Fuller 569 and Don Cook 535 for a team series of 1698, which also included a 620 team game. The Team High Game was just pipped from the Top Hats by STRIKEFORCE, Rosemary Bentley bowled 245 followed by big brother Steve 202 and Rich Shingelston 175 for a 625 team game and a 1679 team series.

Our only all ladies team, THE DOLLY MIXTURES, Sandy Sawyer, Sally Fuller and Gill Cook bowled a 1600 team series which included a 601 team game. This was helped by Sandy Sawyer, who in her second game started with nine strikes in a row, we were all hoping for that perfect 300, especially to be done by a lady, but alas on the 10th frame Sandy rolled 8 spare 8 to equal the House Record for a lady with 276. Sandy with her first game of 167 and last of 185 took the Ladies High Series with a 628. Sandy has certainly had a year of some great scores, well done Sandy.

Billy Howland holds the Men's High Series, at the moment, with a 639 made up of games of 225, 189 and 225. Ben Bentley had a personal best of 634, Don Cook has bowled a 626 series, Malcolm Fuller a 619 and Spencer Snow has recorded his first 600 series in a

league a 614.

Malcolm Fuller rolled a 253 to head the Men's High Game listings, Billy Howland is second with a 244. Also Billy again!! (he is in very good form at the moment) holds the top average of 185, Malcolm Fuller 180 and Richard Shingleston 177 are close behind. Sandy Sawyers leads the Ladies averages with a 175, chasing her is Sally Fuller 173 and Rosemary Bentley 172.

Finally a special mention for a couple of other bowlers from the league who have bowled personal bests, Keith Symes bowled a 569 series and Dave Parmar for his 550 series a 207 game, well done.

## HOLYWOOD SCRATCH DOUBLES

The league is in its 12th week and we already have some healthy individual averages lead by Mike Luckhurst with a 196 and for the ladies, Sandy Sawyer with a 178.

Positions to date are 1st Dynamic Duo (Chris Smith and Sally Fuller) with 49½ points, 2nd Atoms (Sandy and Tom Sawyer) on 45 points and just 1 point behind on 44 points are Snob N' Slob (Cliff and Tracy Dew).

#### **HOLLWOOD FRIDAY TRIOS**

The Friday Trios is a handicap league which plays for only three points each week, there is no bonus points for the overall pinfall. This format has promoted a lot of interest by keeping all the teams in with a chance of achieving honours. After 13 weeks of the season only 7½ points separate the first nine places. Telehawks fill first place with 25½ points, just ½ point ahead of CAPOS who in turn are just 1 point ahead of Demolition, so you can see this format opens up chances for many more teams.

## THURSDAY DOUBLES LEAGUE

The Thursday Doubles league is a beginners league, but as you are all well aware that's where your next year's bowlers come from and as always they are as keen as mustard. I hope to report in future issues of these bowlers improving their averages and setting new personal bests.

## MARGATE YBC

We have to thank Ken Dyer and all the Taylor family who have worked so very hard to get the youngsters interested in Junior bowling. In January we are holding a Mini Junior Tournament, based on the excellent format of the Bexleyheath Coach and Four, to stimulate interest and get more serious bowlers involved with juniors. A special thank you to Mark Taylor for the excellent Margate YBC News sheet which he produces.

#### Editors Note

I have been sent a copy of Mark Taylor's "Margate YBC News", it is an excellent publication, professionally produced. I hope in the future to be given permission by its editor to reproduce some of its articles. It is a pity there are not more bowlers about who are prepared to keep their members informed.

Many thanks to Harry Phillips for his news from Margate.

## WHITSTABLE HARBOUR LEAGUE from Roy Fillier

The leaders at the moment are the DAMBUSTERS who lead the JOKERS by six points, closely followed by the ROUGHNECKS and the RAIDERS. On the team front, the TERRAPINS had a 797 game and a good 2269 series. Individual scores for the team were Mike Fields 631, Dave Humphrey 621, David Rose 527 and Andy Nutter 490

Top of the averages at the moment is Ken Barnard with a 182, followed closely by Richard Harland and Trevor Myhill on 180 average.

# 28th AMF World Cup

Jean-Jacques LeTerrec, the host proprietor of the venue of 28th AMF World Cup in La Mans, France, is a famed sports fanatic. That's why his Bowling du Mans looks more like a small stadium than a Tenpin Bowling Centre. Already equipped with spectator seating the eighteen lane centre will be equipped with automatic scoring early in 1992.

League Secretaries — to include your high averages (men 180 and above, ladies 165 and above) in this list send details to the editor. These details must include players' names, average, number of games for that average, league name, centre and your league's B.T.B.A. sanction number.

For inclusion in the next issue of Bowling News these details must be in the editor's hands by 14th

February 1992.

#### **Editors Note**

I have not received any averages for inclusion from Cliftonville or Whitstable, come on league secretaries you must have bowlers whose average is good enough and would like to see their name in print.

# EBONITE PITRO

The Nitro is Ebonite's latest step in the development of the ultimate high performance bowling ball. The Nitro's urethane cover contains two performance additives. At 11.5 pounds, the

Nitro has the most urethane of any ball on the market. Ebonite's Dynamic Core allows for a number of drillings that will provide the experienced bowler a variety of ball reactions.
