JANET MORRISON JES MORLEY FOR MALMÖ

As we forecast last month two S.E.B.A. bowlers have won through the exacting qualifying rounds for the British Team. JES MORLEY from Southend and JANET MORRISON from Bexleyheath will represent their country at Malmo, Sweden in July this year for the World Tenpin Bowling Championships and our Area President BRIAN MORRISON has also been selected for the post of Team Manager. The South Eastern B.A. is well represented.

The British Teams are already showing good form in the various trial matches that have been arranged up and down the country and both teams WON the 1st Triple Crown Championship for England against representative teams from Ireland, Scotland and Wales and played at Glasgow. Our men's team rolled 2992 on this very first occasion that they had bowled together and the score rates third highest in the country for this season - average over 199 per player!

Proving that the score wasn't a fluke the team have since taken on and beaten the Swedish National Team, the well known Wembley All Stars and a very strong home team from Hounslow, rolling 2816, 2945 and 2842 respectively. The British girls are also gaining a reputation for themselves and against the Swedes JOSIE LEAVER, JANET MORRISON and PIP CARE chalked up a 1703 series, the second highest 3 lady team score ever bowled in this country. Real team stuff this with respective scores of 568, 566 and 569 for an individual average of 189. Needless to say they won!

This weekend the teams are playing USAF Lakenheath and USAF Wethersfield at Walton Pier and Wethersfield and the following weekends appear at Nottingham, Darlington and Leeds before flying off to the World Championships in Sweden. Our next issue will be delayed for a week to bring you the results and, we hope, to record some resounding successes.

In addition to our own Janet and Jes we wish the very best of luck and top form bowling to CHRIS BUCK, TONY KING, CHRIS LEWIS, DAVE POND, STEVE RUSSELL, TERRY SULLIVAN, DAVID WAUGH and ALEX WEKKS and the girls PIP CARE, SHIELA COWAN, IRIS DANDY, JOSIE LEAVER and PEGGY MILLS.

The championship format is described overleaf and something in the region of 24 countries have accepted the invitation that was sent out by the World Organisation including places as far flung as Australia and Japan. Malmo, July 2nd to 8th 1967 will be a week to remember!

S.E.B.A. take '67 Mackeson

The 1967 Mackeson Men's Doubles was played off at centres all over the country to produce semi-finalists. Our own area semi-final was held at the New Regal Bowl, Grays and local bowlers WILL CLARK and RAY HOOK finished second to the Bexleyheath pair BILL BRIDGE and BUZZ MORRISON, but all four qualified for the finals held at Windsor Lanes, Slough.

At Slough all four struck form and led the rest of the field in the scratch division with the Grays positions eventually reversed the 1967 champions are WILL CLARK and RAY HOOK with runners up BILL BRIDGE and BUZZ MORRISON. Well done all four, who will be seeded to the semi finals next year when in addition to the plaques and mugs presented some £200 is to be added by the sponsors. A team from Wales took the handicap division and in third and fourth place in the scratch event were Peterborough and Brighton, last years holders.

ON THE LEAGUE FRONT

A new 5 person scratch league for CHATHAM. £300 Classic rolling from September on Thursdays at 8.30p.m. A name is wanted for the league and your BTBA membership for next season will be paid for the best name submitted. The league is open to all and entries to the competition and further details generally can be obtained from RON GLASSON, 9, Street End Road, Chatham. The league, of course, will be BTBA sanctioned.

Whilst on the subject of Chatham we would like to congratulate an old S.E.B.A. member, SCOTTIE WHITE, who has now taken over the manager's chair. Welcome home Scottie and may your stay be a long and successful one.

WHITSTABLE is in the news this month and has two new entries in the trios high score division this month. The ACES, skippered by manager PETER FIELD come into 3rd place with a fine 621 and just miss a series place with 1700. The SEXTANTS, from the same Sunday Scratch Trios, take 2nd spot in the series with 1726 and just miss out on the high games with 614. The Winter schedule of this league has just finished and the ORPHEEANS have taken the title from the SEXTANTS in second place, skippered by RAY PRICE. High average was MIKE LUCKHURST with 181 over 72. The Orpheeians have also won Winter Classic for the third straight year with the HELMSMEN in runners up spot. TERRY GAIGER took high average with 177 and Area Vice President JIM INGRAM came up with both high game and series on 246 and 639. The Helmsmen take the Ship League title for the 3rd year in a row beating the Sextants by 201 points to 189. In the Guys and Dolls League a mere one point divided the two top teams at the end of the season, the BLACK & TANS taking the title from the CHASERS, who certainly lived up to their name.

The BEXLEYHEATH Guys and Dolls League is again in the news and now hold the top three series and games for Mixed Doubles in the country! JANET MORRISON and FRED WYLES just missed the top spot by 3 pins when they hit 1178 with Janet on 604 and Fred 574 and on the same session DORIN BAKER and BUZZ MORRISON who already hold high game, shot 1156 for third place with Buzz on 600 and Dorin rolling 556. The Guys and Dolls reckon they are the best Mixed Doubles in the country. Any takers?

From Chatham we hear of a fine 672 series from JOHN GRIFFIN rolling in the Memphis League and in the Palace League JES COOPER has come

'300' for MICK

Only the second perfect game recorded by a British Bowler and THE FIRST TIME IN EUROPE that the feat has been performed in five man team. S.E.B.A. member MICK BURRIDGE of Southend put in twelve strikes in a row for a '300' playing for Tiny's Radio Taxis against the Gentlemen in the final night of the Pavilion League at the Excel Bowl, Southend on 15th. May.

The game can never be a part of official records, however, as unfortunately the Pavilion League was not sanctioned this season. Put this to rights next year Southend and who knows - maybe Mick will do it again!

AREA DISCOUNTS

It's a funny thing but you do not seem to take very much advantage of the discounts that are offered to you by a variety of business concerns. Possibly you are all so well off that you do not require to save the odd pound or two! If so fair enough but IF YOU ARE CONTEMPLATING A PURCHASE look first in the Discount Book - you may be able to save pounds, and one of them can be used to join the B.T.B.A. next season! The newest discount facility, the insurance brokerage, is being used and considerable savings have been brought to our notice upon motor insurance and endowment - on the latter the member received £10 CASH as his personal discount. With the Summer now upon us don't forget the discounts offered with photographic equipment and camping equipment. PATRONISE THOSE WHO HELP YOU!

Your Real Hair

BRUSHING

Making sure your real hair gleams is all-important. So, first of all, don't forget to pack your brush (it's surprising how many girls do). A brush can be your most valuable hair-beauty accessory on holiday. If you're honeymooning at a seaside resort, you'll find that the sun can dry your hair, dull it down, give it that brittle, straw-like texture that he

certainly *won't* want to run his fingers through! A good brushing night and morning will ward off this drying tendency, help keep your hair all shining and bright. Brushing tips: ■ if your hair is normally coarse and dry, take a pure bristle brush with you—nylon tufts can break this type of hair. Avoid nylon tufts, too, if your hair is fine.

■ an old nylon or silk scarf pulled tight over the brush-head before brushing will give your hair a super polish.

■ keep your brush on the bedside table. A quick brush first thing in the morning when you wake up makes all the difference to your early, just-awake appearance. Nice for your new husband to wake up to, as well.

SHAMPOOING

It's no good thinking you can spend a honeymoon in the sun and *not* wash your hair. The time will arrive when you can't disguise dirty hair, and a visit to the hairdresser may be outside your holiday budget. Hotel rooms aren't the best places in the world to wash your hair, but it's well worth

the slight inconvenience—and don't forget, you've got a husband now to help you rinse with water from the toothbrush mug! If you've got a room with a bath or shower, this makes the whole operation much simpler. And, if you're going abroad, you'll find that lots of girls wash their hair on the beach—underneath the shower or water tap that

most foreign beaches boast. How to dry it? Just towel dry, comb into shape and walk around or sit out in the sun . . . A word of warning: no, girl should go on her honeymoon with a hair-do that needs elaborate setting. A short, boy-cut, or medium hair that falls straight is ideal. If you've *got* to sit around in rollers, see our ideas on cover-ups, page 53.

CONDITIONING

Hair on holiday can easily get out of condition, with the salt water getting into it and the sand, and the drying effects of the sun. Even if your hair doesn't normally need a conditioner, you may find that it *will* on holiday. A tube of cream conditioner, like Vitapointe (2s. 7d.), takes up hardly any room in

your suitcase, and can be a handy stand-by for promoting gleaming, shiny hair. One of the best ways of keeping it in a good, healthy condition is to keep it *out* of the sun. There are lots of super beach hats in the shops—or, if you don't like hats, use a pretty head-square instead. Both salt water and sand are bad for the hair, too—if you swim

without a cap, make sure you rinse your hair with fresh water afterwards. It's common sense to keep your hair in good condition while you're away. Holiday-ruined hair can take months to repair. If you do use a cream conditioner and you haven't before, be careful not to overdo it. It's as well to remember that a little goes a very long way.

SETTING

As we've said before, elaborate hairstyles aren't really suitable for happy honeymoon hair. You can add elaboration with your pieces—but your basic hair should be as trouble-free as possible. If you *do* have to use rollers—to give added bounce, or to curl the hair softly—*don't* wear them in bed! Let him keep *some* illusions. Most beach hats now are big enough to cover

your rollers while you laze on the sand, and it's difficult for the passer-by to know exactly what's going on underneath! For a quick set before you go out in the evening, put your hair in rollers while you're getting ready, and spray with hair spray. This will add curve and bounce without your having to sit around for *too* long looking unglamorous!

PETTICOAT LANES continued.....

THE BRITISH TEAM IS.....

READY FOR ACTION

NOW THAT THE DATE OF THE WORLD CHAMPIONSHIPS IN SWEDEN DRAWS NEAR PERHAPS IT WOULD BE UNFAIR TO DISTURB THE TRANQUILITY OF OUR TWO S.E.B.A. SUPERS JESS MORLEY AND JANET MORRISON BY DWELLING ONLY ON THEIR SUCCESSES AND OMITTING THE BACKGROUN BLYS OR BLY AS IN THIS CASE. ALL AROUND THE COUNTRY THEY ARE BLAZING A TRAIL OF VICTORY BUT WE PAUSE TO COMMENT ON THE NOMINATION OF THEIR MANAGER , BRIAN MORRISON. THIS IS THE FIRST VOYAGE OUT FOR BRIAN AS SUCH AND WE WISH HIM AND THE TEAM EVERY SUCCESS BUT AREN'T WE MAKING A FUSS ABOUT NOTHING, FOR APART FROM BEING ANURSEMAID...DIPLMANT....CHAUFFEUR...MEDIC CUM MASSEUR ...ACCOUNTANT ...TRAVEL AGENT....BRITISH RAILWAYS ADVICE BUREAU ...
