BOWLING NEWS

of the B.T.B.A.

AUGUST 1967
ISSUE NO.25

Following the outstanding success of Great Britain in the 1967 World Championships in Malmo there are now many more fields to conquer. Two players are required to visit Caracas for a large International Doubles Tournament in Venezuela later this year, the 2nd. Annual Triple Crown Championship is being held in Wales in 1968, the European Championships are being planned for Paris and a new European Tournament is now to commence on an annual basis. In memory of the late F.I.Q. Vice President Emilio de Miguel the event will bear his name and will be open to all member countries of the World Governing Body, F.I.Q. It will be zoned on similar lines to the Football World Cup and subject to confirmation Great Britain have drawn Belgium, Spain and Holland in round one, with an excellent chance of making the finals.

More news on this subject as soon as possible but meanwhile please give every support to the lottery that is being run at all centres. All proceeds go to the International Fund for the British Teams and as will be seen a lot of money will be required this coming season. Great Britain are on top of the World in Tenpin - help us to stay there!

At the meeting of the F.I.Q. at Salzburg in July it was proposed and passed unanimously by all the member countries present that F.I.Q. sanction for International Tournaments would only be granted providing the lanes in question had been certified by the governing body of the country that was to hold the tournament. Great Britain is the only country that allows it's players to compete in a non sanctioned International in any event. This means that no players from abroad can compete in this country on lanes measured by surveyors and no such tournament can be run at such a centre. What how?

NEW CENTRE FOR S. E. B. A.

The new 14 lane centre at HODDESDON, Herts, owned by Corkwood Bowling and managed by Keith Hale, has been allocated to the South Eastern Bowling Association and is a welcome addition to our centres North of the Thames.

Corkwood Bowling are an independent company, one of whose directors is the very well known bowling personality, Lee Kates. The bowl manager, Keith Hale, is recognised as one of the leading men in this country in the art of ball measuring and drilling and a top class 'while you wait' service is given in this respect from the Pro Shop in the centre, which is well worth a visit.

The first sanctioned league from Hoddesdon has already arrived and includes many well known players, such as Rhoda and Jim Brewer and 1967 World Champion Dave Pond. Welcome to S.E.B.A. Hoddesdon and to S.E.B.A. Service!

FRUSTRATION Part II - continued from last month.

You will recall last month's saga of the league that commenced bowling at 8.30p.m. one evening and at 11.30p.m. two of the teams had actually managed to begin their third game! In desperation one of the bowlers had, himself, repaired the machinery, only to find that the teams had moved to other lanes to try and complete the match! The time was now 11.50p.m. and the rest of the league were home in bed. The teams hoped that they may finish before dawn and valiantly bowled on. Things went reasonably well until the turn of Mr. Jinx came round again. It happened - another ball jam! Another ten minutes! Wake up mate it's your turn! Throw the blankets off - we're going to finish this match if it kills us! Stop snoring it's distracting the opposition! No it's not yet time for work we're just waiting for a mechanic to free the balls! No it's not the same ball jam - that was half an hour ago.

Whoopie it's tomorrow! Must go to work to earn some money for my bowling! What time is it? We're past caring. GOODNIGHT!
End of true story submitted by a bowler from a centre that shall be nameless!!

600 --- CLUB

This month seems to be restricted to the ladies.
Well done girls and welcome to the Club:-

BERYL SHRIMPTON
JANET MORRISON
DORIN BAKER
ANN HENDERSON

There is still plenty of room in the club - ensure that your secretary enters your form and five shilling membership fee. Watch for the 600 Club Badge. It will be available very shortly.

The MARTELL*** bowling in the Bexleyheath CLUB LEAGUE trios on 16th. July hit a very fine 632 game, and take runners up position in the Area listings. The game was the third highest ever bowled in S.E.B.A. and was just one spare away from the Nightriders record of 643.

DORIN BAKER rolled a personal best series of 620 in the GUYS & DOLLS LEAGUE at Bexleyheath a few weeks back and now joins her Area high game of 277 with high series for the season in the Ladies division.

TINY'S RADIO TAXIS hit the high spots at Southend last week rolling a fine five man team series of 2925, included in which was new Southend bowl record for individual series of 710 scored by lead off man RON SAPSFORD. Although all the team are B.T.B.A. members the league in which the scores were bowled was not sanctioned and unfortunately cannot appear on the official listings. STU SWALLOW of the Cliftonville Sponsored League suffered a similar fate a few weeks back when he rolled a fine 678 series, but again the league was non sanctioned for this season and the score must remain just a memory. GET YOUR LEAGUE SANCTIONED BY THE B.T.B.A. FOR SEASON 1967/68 AND MAKE YOUR SCORES O F F I C I A L !

TONY SALMON and BILL KANE rolling in the Bexleyheath FIREBALL LEAGUE take first and second slot in the men's doubles division with games of 421 and 420. The games were rolled on the same league night but don't ask them what their third game was!!

League teams at Bexleyheath are at the moment competing in the 3rd Annual Bowl Championships (BTBA Sanctioned) and some very good scores are going up already. The BROADWAY ALL STARS smashed the Area record for 5 man team game on 23rd. July with a great 1052 and BERYL and FRED SHRIMPTON equalled the mixed doubles record series of 1181 set up earlier this year by Pat and Pete Boyd. PAT DUGGAN was very unlucky not to record the centre's second 700 series when, after opening with games of 247 and 256 the lane broke down! Pat lost his hot streak while waiting for a new distributor to be fitted but still finished with a fine series of 667 to take the lead in the singles section over Bill Bridge and Vic Peacock, with 3 weeks left to go.

"I've found the trouble, sir!
May I suggest that the next
time you bowl sick you try
losing it some place else!"
