# Get Ready Get Set.

BOWL

This issue of Bowling News has been published just a day prior to our 7th. Area Championships and in the midst of countless telephone calls from entrants who, for one reason or another, require to alter one or more of their allocated squad times. It is to be hoped that we will be able to make all the changes needed and that when you read this issue you will be at Southend ready to bowl. To the big majority who have put themselves out to play at difficult times or have agreed to change their own squad times to accommodate someone else our grateful thanks.

As mentioned in the Secretary's introductory letter to the Tournament Schedule an 84 lane bowling centre would have been required if everyone was to be completely satisfied and the nearest one of this size is across the Atlantic. This would have undoubtedly brought about even more problems! As anticipated your Area Championships continue to grow and 1969 has a record number of entries - no fewer than 747! from Cliftonville, Whitstable, Chatham, Bexleyheath, Harlow, Dagenham, Basildon and the home bowl Southend, by car, train, bus and in a few instances even by foot you are coming to try and win a coveted S.E.B.A. title. A select few will be bowling to try and retain a title and many others will be playing in the championships for the first time. To everyone we wish an enjoyable and profitable day or days and may you all be on form when it matters.

## BEXLEYHEATH

With a maximum line-up and a total prize fund of over £185 the Bexleyheath FOUR PLUS TWO TOURNAMENT to coincide with the 6th

the Bexleyheath FOUR PLUS TWO TOURNAMENT to coincide with the oth anniversary of Bexleyheath's opening was an unqualified success and will now be an annual event in the S.E.B.A. Tournament Calendar.

Scores generally were high and although the full results are detailed below special mention must be made of BILL HALL who took out £26 in winning both scratch and handicap sections in the All Events. Since winning the 1964 All Events title in the Area Championships Bill has been somewhat out of the headlines and it is with pleasure that we welcome him back to form. back to form.

A tournament specifically devised for our 149 and under lady bowlers. This was the idea and to test reaction centre rounds were held at Bexleyheath, Chatham and

Cliftonville and the top ladies competed in a grand final at Bexleyheath during the Birthday Tournament. That the idea

was a good one there is no doubt and with the experience gained another Powder Puff will be held later in the year embracing all the centres in both Essex and Kent. Results of this first event are shown above and JUNE HEAD of Chatham will shortly be the proud holder of the perpetual silver trophy. The top three girls are all to receive plaques.

The G.P.O. recently delivered a number of envelopes containing Badge Award Forms to our Awards Secretary, John Bushell. This

is a normal daily occurance but this time the letters were dated as far back as FERRUARY! The Post Office had spent the intervening months trying to trace him as the envelopes were addressed to MARGATE instead of WESTGATE! Be careful to put the correct address and avoid long delays in obtaining badges.

WHY NO JUNIOR RECORDS IN THE AREA HI'S?

S.E.B.A. have quite a number of junior members but none appear on the back page as having rolled either a 200 game or 525 series. A number of league secretaries are under the impression that only scores rolled in junior leagues count for junior records. In fact this is not the case and any high game or series bowled by a junior quelifies for the Area Hi's. Ensure that YOUR junior bowlers appear in the listings and have a chance to win the annual high score plaques.

3rd. ANNUAL 'TRIPLE CROWN' CHAMPIONSHIPS

This issue of Bowling News is a fairly short one due to the amount of time that has had to be spent on producing the Area Tournament Schedule. The 600 and 200 Club membership has been left over to the June issue when a report will also appear on this year's Triple Crown between England, Ireland, Scotland and Wales. Suffice to say for the moment that the championships were very successful and that England retained their unbeaten record. Read next month's Bowling News:

The big scores continue to roll in and once again we have two new all time Area Records to record. The WEMBLEY ALL STARS bowling in the Dagenham Masters League have increased their previous record to a formidable 1874 in the trios division with BOBBY MANSFIELD on 661 and ERIC BAKER 645. Apart from these scores HAROLD KING hit 642, COLIN PRESLAND had 662 and BIL BRIDGE 673 - all in one night! New Great Britain Team Captain Mansfield, incidentally, holds the current Area Hi Average in this league with a mighty 203 over 33! The other new record was shot in the Bexleyheath PETERSEN SINGLES by JANET MORRISON. A fine 669 on lines of 202-262-205.
