The preliminary rounds for the BTBA INTER COUNTY CHAMPIONSHIPS are nearly upon us and with Essex and Kent to compete against other counties in their respective zones we hope that both teams will win their way to the grand finals later in the year. Both sides are in for a tough fight but from the list of qualifiers shown above our County Teams will more than make their presence felt. Selection of the players to travel to the first of the zonal matches will shortly be made and we do not envy the job of DOLLY HART and TOM BALLINGALL, who will chair the respective selection committees for Essex and Kent. They have done a grand job.

7th AREA CHAMPIONSHIPS

1969 RESULTS

As anticipated the 1969 SEBA Championships were a resounding success and once again resulted in a new record for entries. Retaining their reputation as the largest Area Championships in the country this year an experiment was made in running the scratch and handicap divisions entirely separately from one another. Whilst a number of new tournament records were created the experiment was by no means a complete success as whilst the number of entries were up on last year the majority of the prize funds in both scratch and handicap sections were down! This is explained by those who entered only in the scratch divisions, quite a few of whom regretted their decision as had they also bowled handicap they would have won considerably more money than was the case. It is a proven fact that handicaps do not prevent the higher average bowlers from cashing in the handicap events and over and over again it has been seen that a score good enough to win a scratch section will also win the larger pot in the handicap. The format for our 8th. Annual Championships is being held in abeyance until the Annual General Meeting when this item will be on the Agenda for discussion between delegates. Should you have any strong views on the subject, one way or the other, ensure that your league delegate attends the A.G.M. to put them forward.

The conditions at Southend for the two week-ends of the Championships were very good but very tough - with new heavy wood and many fancied bowlers fell by the wayside. The overall scores were a little lower than last year but the winning totals were, for the most part, higher and in a number of instances were new tournament records. Alf Flower and his staff did a magnificent job and the workers from the SEBA Executive also deserve the highest praise.

High series of the tournament went to WILL CLARKE of the Dagenham Nomads with a fine 639 that included a 247 game. BOB POTTS of the Cliftonville All Stars rolled 632 in winning the scratch doubles with a new Area Tournament Record of 1200 - partner MIKE LUCKHURST had 568. RON SAPSFORD of Tiny's Radio Taxis shot a fine 623 in the team event and this score in fact won him the scratch all events title. The only 600 series in the singles events went to TEDDY TINLING with a 607 which gave him the scratch title and a third place in the handicap division. BILL PRESTON of the Silver Rollers had a 608 and MICK BURRIDGE 603 ideally backed up Ron Sapsford's 623 in the team event.

High game of the tournament was a 253 shot by G. TURNER of Basildon and for the ladies BRENDA GAIGER and JANET MORRISON had games of 222 and 221 respectively. During the proceedings GWEN WILLIAMS of Chatham left a Big 4 Split and proceeded to make the conversion - her badge has been ordered!

LADIES MATCH

A South of England versus North of England challenge match has been arranged for 24th. August at the Granada Bowl, Belle Vue, Manchester and SEBA ladies WYN COLLISON and JANET MORRISON from Bexleyheath and JOYCE MORRIS from Basildon have been selected for the Southern Team. Five head to head singles will be played before lunch and a 5-person team event will follow in the afternoon. The winning team will each receive £15 and the losers £5 - the sponsor wishing to remain anonymous. Lunch and lineage has been very kindly donated by Granada Bowling and it is hoped that a return match will be staged in the South later in the year. DOLLY MILES and KIM WHEELER from Wembley complete the Southern team and for the Northern side the players selected are RENE McCULLOCH and JOAN PRIMMER from Tuebrook, MEG COOMBES, South Shields, J. GIBB, Sunderland and PAULINE THOMPSON from Walkden. These ten top flite lady bowlers look like having a really great match. The results will be published in the September edition of the Bowling News.
