ANOTHER GREAT GAME MICK!

Following the MICK BURRIDGE bonanza detailed in last month's issue he has been at it again and this time with a real vengeance! Commencing the week in the Southend PAVILION LEAGUE he bowled a nice series of 630. In the Basildon HUNTERS LEAGUE on the Wednesday following he continued with a set of 611 and back at Southend on the Friday, playing for Starline Paints against the Neva-Swets in the SHRIMPERS LEAGUE he started with a 194 game and closed with a 195. It was the game in the middle, however, that caused the uproar! Eleven straight strikes and the twelfth delivery looking as good or better than the others left him with an extremely wobbly 7 pin that refused to fall over. It was mentioned last month that Mick already had an unsanctioned 300 game under his belt and only bad luck robbed him of another, but this time official. Still a 299 cannot be sneezed at Mick and you join the all-time Area Record Holders VIC PEACOCK and WILL CLARKE both of whom know how you felt on that final ball. That sanctioned perfect cannot now be very far away.

COVENTRY HERE WE COME!

The Ladies of KENT and the Men of ESSEX have won through to the Grand Finals of the BTBA INTER-COUNTIES CHAMPIONSHIPS to be held at Humber Bowl, Coventry on Sunday, 12th October. Both scored resounding victories in their respective zones - Essex Men topping the table by 11 clear points and Kent Ladies by the even bigger margin of 17 points. Two 5-person team matches are to be played on the day against the cream of the other counties and 12th. October will be one of the most exciting days witnessed in the tenpin calendar to date.

The teams for Coventry are as follows and everyone of them will need your support on the day. COME AND SUPPORT YOUR COUNTY TEAM!!

KENT LADIES

BRENDA GAIGER
JANET MORRISON (Capt)
VERA PEACOCK
ANNE HENDERSON
VICKY TIMMS

Reserves

JOYCE WILSON

ESSEX MEN

RAY HOOK
ROBIN GARTON
DEL BROUGH
MICK BURRIDGE
BOBBY MANSFIELD
JOHN WYNDAM (Capt)

The various matches to decide the counties for the final have been played around the country and both Essex and Kent have provided funds to offset what would have been a considerable expense to their players. The Essex Team are well provided for in their journey to Coventry but to date the Kent side is not so fortunate. Essex were able to raise funds during the Essex trials but existing league and tournament commitments precluded similar fund raising in Kent. Many donations have been gratefully received but more is now urgently required for Coventry, and, of course, for the teams in 1970. With this in mind a Kent raffle is under way with prizes totalling £40. When the tickets come your way please be as generous as possible. Next year may be YOUR turn to play for your county!

Coca-Cola World Cup

The Centre Rounds for this famous event in the tenpin calendar are underway throughout the area and this year AMF are making arrangements for a special charter flight to Tokyo for all those who will wish to view the World Finals. The plane will leave Brussels on 21st. November and return on 6th. December. The normal return fare is something in the region of £700 but this can now be offered on a 'first come, first served' basis for the greatly reduced price of £166. Accommodation in a leading hotel is also arranged for 7 dollars a day and interested parties should contact B.T.B.A. Head Office straight away at 212, Lower Clapton Road, London, E.5.

BTBA LADIES MATCH

B.T.B.A. Representative Ladies from the North and South of England did battle on 7th. September at Belle Vue, Manchester in a special challenge match arranged by Gt. Britain Team Selector-in-Chief Teddy Tinling. S.E.B.A. King Keglers JANET MORRISON and WYN COLLISON were selected to play for the South and played very well. In the warm up singles the Southern girls were well and truly beaten but all came back very well indeed in the 5-person team event and with Wyn hitting a 608 series and Janet a 567 they took this section of the match by a very fine 2758 to the North's 2726. A return match between the same two teams will take place at Wembley on 9th. November commencing at 11a.m. The matches will roll alongside two representative men's sides, also North vs South and spectators will be certain to witness some very fine bowling indeed. Come along in support!

The Ladies teams were published in the June Bowling News and the men now selected are, for the South CHRIS BUCK, ERIC BUTCHER, ROBIN GARTON, GEOFF LIDDIARD (Capt) and JON RELVES and for the North JIM BREWER, ALAN FORREST, NORMAN OWEN (Capt), JIM SINCLAIR and DAVE TAYLOR.
