AND A HAPPY AND HIGH SCORING 1972  
TO S.E.B.A. MEMBERS AT  
OUR SEVEN CENTRES

NEW YEAR HONOURS 1971  
\*\*\*\*\*

For consistently holding down the highest ever average for a woman anywhere in Europe, a 189 over 117 games. For winning the B.T.B.A. Scratch Singles title. For winning the S.E.B.A. All Events crown. For bowling the highest woman's three game series ever this side of the Atlantic, a 693. For taking her omission from the England team for the World Championships without a murmur when most of us with her record would have bitched in all directions and for consistently wearing the same size in hats ..... JANET MORRISON

For bringing a completely anti-B.T.B.A. centre into the fold even before the new scheme came into being. For his ceaseless work on behalf of his bowl and his area association. For being the complete Executive Officer ..... BILL AINGER

For re-building their side after losing their captain and two top players and doing it all without the usual protestations that are heard in a situation of this kind. For consistently having a go at the 'big boys' in major tournaments and usually being at or around the top on the final count-up. For winning the Area Championships Team titles, both scratch and handicap divisions. For general sportsmanship. For always wearing their team-shirts on the lanes and for always looking like a TEAM ..... THE SILVER ROLLERS

For rolling what was then the highest three game series for a junior bowler anywhere in the country - a 687. For averaging a mighty 193 in league. For consistently rolling 600 plus series in tournaments throughout the Area. For keeping completely modest regarding his achievements despite being able to beat most of his elders out of sight ..... COLIN PEPLER

For being the architect of the scheme that finally brought the T.B.P.A. and B.T.B.A. together in all respects for the overall good of the sport and for working so hard to bring it all about. For being again elected as President of the European Zone of F.I.Q. For obtaining the next World Championships for these shores. For being highly respected in bowling circles throughout the World. For all he has done at personal cost for the B.T.B.A. .... MAURICE GLAZER

For keeping the doors open despite having no pinspotter machinery. For starting leagues and planning tournaments on the promise that the twelve lanes would be re-surfaced and new pins purchased and for keeping the promise. For re-opening the lanes immediately the machines were again installed. For giving the industry generally a shot in the arm when it most needed it ..... CLIFTONVILLE

Two lanes immediately adjoining each other shall be used in each game of league play. Teams scheduled to bowl against each other must be in direct competition on adjacent lanes, and shall than and there oppose each other, except when a forfeit is declared. ALAN SAMUELS of the Southend based Humber Hawks team hit high game of the day with 261 and went on to record a series of 620. The 1972 'Coinmatic' could well be bigger than ever!

## NEWS IN BRIEF

- \*\* Two more 700 men. COLIN PRESLAND adds to his total with a 728 set bowled in the Dagenham 'Capri' Mixed Doubles Championships on games of 225-254-249. In the Dagenham Supreme League BARRY WRIGHT needed a 10th. frame spare for his first super set and duly made it for a 702 on games of 245-233-224.
- \*\* TEDDY TINLING will continue to give guidance and advice as required but has resigned as Chairman of the Selection Committee as he considers that the time is ripe for the top bowlers to play a larger part in team selection than hitherto. HAROLD KING has taken over the office and we wish him every success.
- \*\* Due to the close working relationship now existing between I.B.P.A. and B.T.B.A. and in order to avoid duplication and acknowledge the prestige of the B.T.B.A. Awards Scheme the Proprietors have now discontinued their Awards Scheme as from 31st. December 1971.
- \*\* A very good 5 women team total has been recorded by the MORGAN'S POMMETTES team from Whitstable who totalled a 2634 series while playing against the Cheyennes in the Classic League.
