BUTLIN'S

Making amends for their disappointment in the 4 + 2 tournament the previous month The Committee took home £65.00 plus three Butlin's Holidays. The entry was a good one and prize monies, without the value of the six holidays, was £180.00. All prize monies are being distributed with the exception of that for the team topping the handicap division. An investigation is underway in this respect and B.T.B.A. Rule 332 has been invoked. 221 X 3!

We have just received a rather belated report on a quite remarkable triplicate series hit by BRIAN NEWSON of The Committee in the Dagenham Supreme League in April. With a 663 series on games of 221-221-221 this is the highest known triplicate in the country. Any takers?

700 CLUB

Two further 700 series this month. A sanctioned first for MICK BURRIDGE of the Nomads in the Dagenham Masters League with a 708 on games of 225-226-257 and for BRIAN NEWSON his third, a 701 rolled in the Bexleyheath Late Nite Final League with games of 266-230-205. The B.T.B.A. are to stage a first ever 700 Club Tournament at the end of this year or early in 1973 and the venue will be Dagenham. The choice is fitting as this centre has recorded no less than 38 sanctioned 700 sets in the twelve years of operation, far more than any other bowl in the country and probably in Europe. Britain's first ever 700 was also from Dagenham when DAVE MAITLAND, who has long since emigrated to New Zealand, hit a 701 in 1963. More news of this 'Tournament of the Elite' in future issues.

A DOUBLE PAIR

Another three months have flown by and another listing has been produced for both the 'never ending saga of the Bexleyheath Saturday Pairs and Dagenham Doubles!'
