# KENT LADIES bring home the BRONZE MEDALS from the SENIOR INTER-COUNTIES FINALS

by Jerry Lodge.

Eight Counties qualified for the Senior Inter-County Finals, which were held at AMF Bowling Express, Wolverhampton over the weekend of 7th/8th October. In a round robin each four person team played each other County with three games on the Saturday and four on Sunday.

The Kent ladies started well with a good win against Middlesex by 698 to 644 and followed up with a comprehensive win over London by 728 to 625. In the first game Doreen Lodge rolled a 190 game and Sandy Sawyer had a 193 game against London. The last game on Saturday was extremely close with Kent losing to Yorkshire by only 20 pins leaving them in second place overnight behind Lancashire who were the only unbeaten team at that time.

On Saturday evening there was the usual banquet which, to say the least, was not up to standard and in the morning there was total chaos as the hotel staff were not prepared to feed 150 people at the same time. This resulted in bacon sandwiches being sent to the Bowl later in the morning.

The first game in the morning was against Somerset, which was won comfortably 713 to 648 thanks to an excellent 211 game by Sandy Sawyer and good support from Jan Smith. Next was the crunch match against Lancashire. In a tense tight battle that went to the wire Sandy Sawyer at anchor closed the last frame for an exciting win by three Meanwhile, Middlesex and Yorkshire were on winning streaks following disappointing results on the Saturday. At this stage the Kent ladies were still in second place behind Lancashire by a small margin but then lost to Berkshire 633 to 680 to set up a close final game with three or four teams fighting for the silver and bronze medals as Lancashire were certain of the gold. In the last game, both Yorkshire and Middlesex has good wins in high scoring games but Kent disappointingly lost to Wiltshire but with quick calculation of scores it transpired that Kent had finished in

third place by a mere 28 pins from Yorkshire and that Middlesex had leapfrogged into second place by 23 pins.

As will be seen from the final table five teams won four of their games, the positions being decided by pinfall and age bonus, of which Kent easily lead the field.

		Won	Points
1.	Lancashire	5	58.45
2.	Middlesex	4	56.06
3.	KENT	4	55.83
4.	Yorkshire	4	55.55
5.	Berkshire	4	54.99
6.	Wiltshire	4	54.68
7.	London	1	48.46
8.	Somerset	2	48.33

The bowlers for Kent and their scores were:-

	Games	Ave.
Sandy Sawyer	7	177.5
Doreen Lodge	5	166.2
Jan Smith	7	157.7
Dot Edwards	5	144.2
Beryl Drury	3	134.3
Peggy Hammond	1	120.0

When all the results were calculated, it transpired that Sandy Sawyer recorded the third highest average in the Ladies' section.

There was great excitement in the Mens' section when Pete Cornwall from Surrey rolled a perfect 300 game, which with his age bonus will go down as the first 304 perfect game in the country.

As usual, thanks are due to Alan Petherick for his organisation and support of the team who deserve every congratulation for their effort and performance.

### NEWS of the JUNIORS

#### CRAIG LAMBKIN wins the Millennium Peter Cox Memorial Junior Matchplay

By Martin Beale

Chatham just has to be the venue for a junior tournament in memory of the late Peter Cox – founder and mentor of the Chatham YBC – and the Millennium event in October boasted a full house of 48 youngsters from Bexleyheath, Orpington, Whitstable and the home centre, all keen to fight their way through a dozen games or more to lay claim to the Peter Cox Cup and the title of the Matchplay Champion of Champions, an honour which went this year to 13-year-old Craig Lambkin of Whitstable YBC.

The format is double-elimination scratch matchplay (which, put more simply, means a knockout head-to-head competition in which a bowler must lose twice before being eliminated). The first task competitors face is to win their way through their age group and, to be sure that nobody loses before they have a chance to get used to the conditions, the first round is over two games.

The highest scoring match in Group A (consisting of seven boys under 12 and nine girls under 13) was the third round tie between Chatham's Iain Smith and Whitstable's Kirsty Belchem which Iain won 178-170. He then lost to 'winners' winner Adam Fuller of Bexleyheath before being eliminated by 'losers' winner Nico Joiner of Whitstable. Nico went on to beat Adam Fuller in the group final (having rolled no less than nine games to do so).

Group B (eight boys under 14 and four girls under 15) kicked off with Jason Kellegher of Orpington rolling the group high game of 198 in round one, but the closest contest was the losers' round four tussle between Whitstable team-mates Hannah Croft and Anna Winch, Hannah just sneaking through 177-176. The group final saw eventual champion Craig Lambkin defeat Chatham's Kurt Smith in a low scoring encounter, 125-116.

Before anyone thinks that the split by age obviously favours the boys, Group C (eight boys under 16 and four girls under 17) was won by Whitstable's Rebecca Ward who defeated Chatham's Tracy Saunders in an exciting group final. It's consistency that counts in this kind of competition. Liam Reed of Bexleyheath zapped in 195 and 191 to put out Whitstable's Stuart Belchem and Chatham's Amanda Shaw, only to be beaten by Rebecca Ward in round five, 141-139.

Just eight boys contested Group D (anyone under 18) which featured the only double-tons of the tournament. Bexleyheath's Chris Francis rolled 214 and 205 whilst team-mate Paul Shrimpton added 211, but it was Chatham's Stuart Attfield who beat Paul in the group final.

The Champion of Champions finals were played between the group winners using handicaps based on the group round scores. Stuart Attfield defeated Rebecca Ward 167+30 – 141+30 whilst CRAIG LAMBKIN saw off Nico Joiner 163+49 – 120+46 and, whilst Stuart beat Craig by a single pin scratch in the final, Craig's 19 advantage on handicap saw him through.

Last year, Daniel French won this title – his first tournament win. He went on to make Junior Team England in the summer. So good luck, Craig Lambkin...

As an additional incentive, a prize of £45 was on offer to the YBC who could score most points in the group rounds. The group winner's YBC got 10 points, the last YBC eliminated 6, then 4 then 3. Whitstable took the prize with 3 straight wins & 34 points. Chatham was second with 26 ahead of Bexleyheath on 20 and Orpington 12.
