STEVE BROUGH & DANIEL HARMAN break the COUNTY MENS DOUBLES RECORD

Steve Brough & Daniel Harman, bowling for the Tuggit and Stroke It Team in the Monday Doubles League at AMF Margate, have smashed the Kent County record for a Doubles team by 68 pins.

In their total of 1462, Steve weighed in with a massive 811 series, bowling 275, 290 & 246, narrowly missing a perfect game due to a spare on the first frame of his second game. Steve is only the second person to bowl an 800+ series at Margate.

SELECTION of the KENT TEAMS

SELECTION of the "KENT" TEAM

Letter from Albert G Moustache

I would like to comment on the editor's note, detailed in the last edition of *Bowling News*, on the decision of the Council Meeting.

I feel and I am sure that a lot more Bowling Members who unfortunately might not have seen this letter would agree that - A very good input as requested by the council and so humbly supplied by Mr. Ross who obviously has given a great deal of thoughts to the subject could not be laid to rest just like that, at a stroke of a gavel.

The editors note:

In an ideal world, this selection process would be fair.

1. There is insufficient time available to fit in three tournaments in the National Tournament Calendar.

Comment: Where there is a will, there is always a way. Re-scheduling and a little bit of reorganising the calendar would not be a bad idea.

2. The overall cost of three tournaments would be prohibitive.

Comment: In pursuit of fairness, bowlers who desire to play for KENT COUNTY will make their own mind and will travel to tournaments should the organisation give the commuting sites some thoughts, the timetable published in good time, in "Go Tenpin" magazine, as all bowlers get a copy monthly.

3. The Rules of the Inter-County stress for Equal Opportunity.

Comment: The above No. 2 comment looks like putting Equal Opportunity into practice wouldn't you say.

I respectfully submit, this, my thoughts on the above subject.

Yours respectfully,

Albert G Moustache.

Editors Note:

Your comments are taken on board.

ANYONE WHO DID NOT TAKE PART IN THE ROLL-OFF, PLEASE READ & REPLY TO THE QUESTIONNAIRE ON PAGE 8.

SQUADS for 2001.

The 2001 Roll-Off for the Kent County Teams was held recently at Bexleyheath Megabowl. The following teams have been selected to represent the County in 2001.

The current system is that the top 13 in the Roll-Off automatically qualify for the Team, plus two "wildcards" picked from the remainder of the entries by the County Organiser and respective Team Captain. The scores are listed for the Roll-Off and the wildcard selections are indicated by **.

CLUB TOURNAMENT 1999-2000

By Rosemary Moll

The Club Tournament for 1999-2000 took place at Buggy's, Cliftonville on the 14th and 21st January. I will start my report with a brief explanation about the tournament. Entry is by invitation only – bowlers have to achieve a qualifying score in the previous bowling year (1st September to 31st August). There are four Clubs with defined criteria that governs the qualification:

200 Club - Individual game by player with average of 159 or below *

500 Club - Series of 500 or over bowled by ladies only

550 Club - Series of 550 and over by player with an average of 169 or less *

600 Club - Series of 600 and over by any bowler

* Where a qualifying average is required it should have been bowled over 21 or more games. At the beginning of the season use last season's average.

The score **must** be recorded in a BTBA sanctioned league or tournament.

If you bowl a qualifying score your league secretary will send the details to me as Area Secretary. I will pass the lists of latest qualifiers to Jerry Lodge for publication in Bowling News. (At this point I apologise to those who have qualified recently – my workload has been so high that I have not been able to collate the details yet).

The tournament in January was for players who qualified between 1st September 1999 and 31st August 2000. If you have rolled a qualifying score since 1st September 2000 then check that your League Secretary has submitted the details (or is intending to) and you could be among the winners next January!!

The Club tournament was most enjoyable and a lot of good scores were achieved. As expected, the highest scores were rolled in the 600 Club, which is played over two consecutive scratch series (the 200,500 & 550 are all over three games). **John Smith** (Cliftonville) bowled the winning score in the first week of the tournament. He started with a superb game of 275,

which was the highest rolled in the entire tournament. His two series of 693 and 638 gave him a cumulative total of 1331. At the end of play on the first week Chris Smith (Cliftonville) was lying in second place with a 1242 total. The second week found both of these scores being threatened as Jeff White got into his stride, finishing his second game with nine strikes in a row for a 269 game. His run of strikes continues for the first three of the third game and, with continuing good form he finished with a 694 series – highest of the tournament. The change of lanes obviously didn't suit him as his two series total of 1241 put him into third place, just one pin behind Chris Smith.

Of the ladies taking part in the tournament the highest game was the 215 rolled by Carole Lakin (Whitstable) in the 550 Club – Carole's 551 series put her into fourth place, just out of the prize money. The highest series was the 566 rolled by Emma Drury (Bexleyheath) in the 200 Club but Emma's 614 handicap series was only good enough to place her 8th. **Linda Allerton** (Margate) rolled the second highest ladies series with a 556 in the 500 Club – her 628 handicap series won her the title.

It was good to see a bowler from Orpington in the prizes. **Matt Yates** found the conditions to his liking and bowled a super 595 series (709 including handicap) and finished in the top slot in the 200 Club.

A total of £730 was paid out in prize money – the details are as follows:

600 Club

1st	John Smith	(£100)
2nd	Chris Smith	(£57)
3rd	Jeff White	(£37)

HIGH SCORES come in from around the COUNTY

BEXLEYHEATH

As secretary of Superbirds League bowling on Tuesday mornings, I'm writing to tell you of a high score achieved individually in one game of 278.

This was bowled on 23/1/01 by Kathryn Bozier whose average is 139. She bowled this game by leaving the first frame open and then rolling 11 consecutive strikes. The following game was opened by a twelfth strike.

The actual two person team game resulted in a score of 434. I feel that it would be worth a mention in the next issue of Bowling News.

Jane Stevenson

[Comment from Editor: Too right - many congratulations, Kathryn]

Olympic League

On the 8th February this year the last week of the Olympic League took place at Bexleyheath, with the top three places already decided on favour of The Highwaymen, Glaze-Rite and The Mean Machine respectively the only thing left to play for was some prize money and a bit of pride. Well on this last week The Highwaymen played The Mean Machine on lanes 15 & 16 (should have been 19 & 20 but we had the usual breakdown.)

Steve Carnall showed the way in the first game for The Highwaymen with a 256 and the rest of the team making their score up to 988 scratch. The MM, not to be outdone (well scratch anyway) had a 989 but lost out on handicap. In the second game Keith Hodge, John Hinch and Bob Hayter all had 200's, 233, 209 & 203, this was equalled by The Highwaymen, Steve Carnall, Alan Jones & Phil Eldridge, 246, 246 & 210. The MM had a 1031 scratch, 1054 with handicap, but The Highwaymen had 1044 scratch and 1113 handicap. And so, to the last game The Highwaymen had three more 200 games, Steve Carnall, Alan Jones and Steve Clark 258, 215 & 202, but this time they were surpassed by the MM with all five bowlers having 200's, Steve White 246, John Hinch 235, Neil Webb 218, Bob Hayter 216 and Keith Hodge 207.

In this game MM finally won a point defeating The Highwaymen 1122 scratch 1145 handicap to 1013 scratch 1082 handicap. To save anyone who might be adding up Steve Carnall's three games he had a very good 760 (shame that he did not bowl enough games to qualify for the high series). So on this night the MM bowled 3142 scratch with all five bowlers making 600's and lost two out of three games and the overall with handicap but, breakdowns apart, a good night was had by all. Full scores listed below:-

HIGHWAYMEN

Phil Eldridge	169	210	183	562
Alan Jones	169	246	245	630
Steve Clark	201	170	202	573
Steve Carnall	256	246	258	760
Chris Skudder	193	172	155	520
Handicap	69	69	69	207
TOTAL	1057	1113	1082	3252

MEAN MACHINE

Steve White	187	193	246	626
Neil Webb	201	193	218	612
Keith Hodge	191	233	207	631
John Hinch	229	209	235	673
Bob Hayter	181	203	216	600
Handicap	23	23	23	69
TOTAL	1012	1054	1145	3211

A few other league facts, John Hinch won high average with 203 ahead of Steve White on 198 and Keith Hodge on 197. Steve Carnall averaged 208 but did not bowl the required number of games to qualify for prize money. Jan Hodge had the ladies high average on 189 with Sheila White second on 181 and Emma Drury third on 169. Just a final mention for Duncan Goodfellow who took the scratch high game with 290.

Steve White.

Friday Fours League.

Heartiest congratulations to Selwyn Morgan who rolled a 296 game to take the league high scratch game record. After bowling eleven strikes in a row in his first game, only six pins fell in his twelfth frame. Never mind, Selwyn, there is always another day.

CLIFTONVILLE

Blackpin League

An unusual hush fell over the first eight lanes at approx. 9.30pm on 18th January - the reason, on lanes 3 & 4 lefty Steve "Boomer" Eastop had the first nine strikes in game two. He stepped up for his next frame and promptly demolished the rack for No. 10 and duly repeated the procedure for No. 11.

By this time the "bush telegraph" had been working overtime and apart from a few bowlers on lanes 9 to 12 most league members had shuffled en bloc behind lanes 3 & 4 for a good vantage point.

Steve stepped up for the crucial 12th frame having taken numerous bits of advice as to what he should do! I doubt if he heard a word! Down the ball went and from the obvious crowd response you wouldn't have put your mortgage on it. As yours truly was one of four bowlers in mid-frame on lanes 9 to 12 I gather from various "eye-witnesses" it went heavy on the Brooklyn side leaving the 2 and 4 pins - nevertheless a 298 has to be a great effort.

As an aside to the outcome it must be noted that Steve underwent back surgery three years ago and up till two years ago bowled a "back-up" ball off the wrong foot! These facts give a great example to the majority of bowlers that with a little time plus a lot of effort and enthusiasm anyone can reap the benefits.

CHATHAM

Super League

A few years ago there was a lot of discussion at Chatham about how to best establish a scratch league that would attract a sufficient number of participants. The solution we came up with has been so successful, perhaps other centres may be interested in our format.

We have three divisions, premier, first and second with around eight players in each. Although it's a money league, there are perpetual cups for the divisional winners, i.e. the players who finish with the highest points tally. However, promotion and relegation is based on final averages. Many traditional handicap league bowlers have been converted to the joys of head-to-head scratch competition, and have seen their averages flourish! I'm told that this system of divisions of ability works very well in another popular sport involving, I believe, a ball without holes!

LETTERS TO THE EDITOR.

Congratulations to Adrian Connor for creating, developing and maintaining the KTBA website. I would certainly encourage more bowlers to access it at www.ktba.org.uk as it is well worth a regular visit, particularly to check tournament results. However, I have two suggestions to further enhance its attraction.

As the Area Championships, Club Tournament and County trials all extend over more than one weekend, how about displaying the scores so far achieved? This would allow bowlers who are scheduled for the second or, where applicable, third weekend, to see what scores have already been posted. My second suggestion relates to the Area High Scores listed on the website. Although it's great to see the all-time highs, it would be very interesting to also see the highs recorded progressively during each season. Potential qualifying scores could be submitted by the league secretaries to Adrian by e-mail. Yes, you're right, I do have a couple for consideration!! Earlybird league - Chatham - 11 Feb 2001. Male doubles - game 485 and series 1327, Jerry Moll 682 / Mark Godley 645.

However, although probable Chatham records, I know they have been overshadowed by a pending Kent Area high score from Margate.

KENT TENPIN BOWLING ASSOCIATION

SELECTION of THE COUNTY TEAM

2002

QUESTIONNAIRE

Council would appreciate the views of all Bowlers interested in bowling for their County on how the Roll-Offs should be organised for next year. Please can you spend a few minutes to complete this questionnaire and return it to your Council Representative, the County Organiser, Alan Petherick or the Editor of "Bowling News".

1. Are you happy with the present system of Selection for the County Teams.
i.e. A Roll-Off at One Centre involving 6 games of bowling on one of three dates.
The top 13 bowlers, plus two wild cards, to form the squad from which the team is picked. YES/NO

2. Adopt a proposal from some of the bowlers in the County.
Hold three separate roll-offs at three Centres,
say Bexleyheath, Chatham and Cliftonville
with six games being bowled at each Centre and the 15 bowlers scoring the highest pinfall in each section forming the squad from which the team is selected. This will involve travelling for all bowlers and the cost of bowling in the roll-offs will be in the region of £55 to £60.
With this system, each bowler will need to bowl at each Centre on one specific date for each Centre. YES/NO

3. Are you prepared to offer help in organising bowling for the County. YES/NO

4. Other Comments.
