## Bexleyheath.

### CONGRATULATIONS

to Adrian Conner, bowling in the Friday Fours League rolled games of 226, 227 & 251 to record his first 700+ Series with a 704.

Adrian is the husband of our Area Secretary, Christine, and it is Adrian you are often talking to on the phone when you ring up with your queries about the Association. Adrian has only come to Tenpin Bowling since meeting Chris and is a very keen Green Bowls player having represented his County and been awarded his "County Badge" this year.

to Sylvia Thomas, bowling in the Spartan Trios League on winning the Jackpot and scoring her first 600+ Series.

## Whitstable.

### Harbour League.

After a very tight finish to the Season, the eventual champions were **THE JOKERS** (Paul & Angela White, Geoff Bromley, Gary Firrell & Paul Zakrzewski), who had 198 points. Second place were the **ROUGHNECKS** with 185 points, closely followed by the **TERRAPINS** with 182.

On the high average front, (Nikki Harvey by rolling only 21 games - average 195 - could not count), so the battle was between four bowlers with only one pin separating them. The eventual winner was Alan Haley with a 181 average from 120 games (21784 pins) closely followed by Steve Davey, Kevin Snook & Mike Fields, all with 180 averages.

For the women's High Average, because Nikki Harvey & Angela White had not bowled the necessary qualifying number of games, the prize went to Rosemary Bentley with a 164 average from 81 games (13287 pins).

On the Team Scene, PK Nutters led by Kate Foxley rolled a 2405 including handicap (2279 scratch), whilst the Roughnecks led by Ken Barnard rolled an 866 game including handicap.

Roy Fillier.
