

Extraordinary Meeting

Thursday 7th October 2021

7pm Virtual Meeting

Chair Report

Actions from the meeting of 01/07/2021.

- *KTBA Minutes and Reports of 01/07/2021 were sent to the BTBA on 3rd July 2021.*
- *On 11th July 2021 I received and accepted John Denne's resignation from the KTBA Council. John has been a council member for a number of years and his contributions will be missed. On behalf of the KTBA I wish him well for the future.*
- *KTBA now have a suitable place to display county trophies and would like to thank Bugsy's for the space and signage that shows-off the county's achievements.*
- *I have been helping Chris Taaffe where possible in preparing for the KTBA 2021 Welcome Back Singles tournament. A thankyou to Chris for all his hard working in running this event. Unfortunately this event was cancelled due to lack of entries.*
- *After doing some research on holding face-to-face meetings with members joining in virtually if they cannot attend. My conclusion is it is not the most convenient way to hold a meeting as the placing of a suitable device so that those virtually attending can both see and hear everyone at the meeting is difficult to set up, likewise members at the venue will also struggle to the hear virtual attendees. Therefore, unless someone knows of a way to resolve these problems, a decision on holding future venue or virtual meetings needs to be agreed.*
- *Following discussions with Alan Haley regarding the sad news of the death of Paul Clark, Alan spoke to Paul's son-in-law, who gave his consent for the funeral arrangements to be published on the KTBA website and Facebook. Condolences were sent to Jenny and family on behalf of the KTBA.*
- *I have notified Talk Tenpin regarding issues of Bowling News now being on the KTBA website. Dom Gall kindly put a link from our website to Talk Tenpin so that their readers can connect to Bowling News.*

Eric Harvey

KTBA Chair
