

## Facebook

We are getting around 700 views to Facebook weekly. With major updates to facebook we are seeing around 1k-2k views per week.

I have uploaded information for the kent trials as events for each day and have attached the website for people to get the application form.

We have had contact from new bowlers through Facebook and have already got them into leagues and have joined the btba membership.

Continues information being added is being added to facebook.

## Improvement

Maidstone bowl is looking to get their centre inspired in January once that have their new scoring system installed.

Meet and greet is going to be arranged to start in January.
