

Treasurer's Report

For the KTBA council meeting

To be held on 7th October 2021

After the announcement of the "Welcome back to Bowling" tournament, there was a flurry of activity in the bank account as a few entries were paid for online. However, due to lack of numbers it was sadly decided to cancel the tournament and refund all the entry monies.

Therefore the bank account balance has returned to its pre-tournament balance of £2,046.98. No other financial activity has happened since the last meeting.

Alan Haley, Treasurer to the KTBA Council
