Treasurers Report

Actions from the meeting of 20/08/2020.

- *As requested, the accounts now align to January – December.*

There has been no movement on the bank since last September when we paid Dee her secretary monies. The bank balance stands at £2,046.98. The figures to the end of December 2020 show a surplus of £1,152, largely due to the county team income being retained.
