

TREASURER'S REPORT
TO THE
ANNUAL GENERAL MEETING
OF THE
KENT TENPIN BOWLING ASSOCIATION
OF THE B T B A

24th February 2022

I present my report of the financial position of the Association as at 31 December 2021, being the official financial year end.

You should all have a copy of the accounts attached to this report, if you do not they are available if you ask.

Due to Covid-19 restrictions there was no AGM held during 2021. Therefore the accounts show the position at 31 December 2020 and 2021. The prior year is shown on the right of the page.

It can be seen from the accounts that no income was generated for the two years apart from the County Trials held in January 2020 which was before the Covid-19 restrictions commenced.

There were two attempts to hold a tournament but both were cancelled due to low levels of entries. Any entry monies received were subsequently refunded in full.

On a more personal note, I intend to retire as councillor at this AGM having completed 30 continuous years. I was coerced onto council by John Cudmore in February 1992 after chatting to him at that year's AGM where i attended as a delegate from our league. I must say that I have enjoyed my time on council through all the ups and downs and would recommend joining the KTBA council to anyone who has a genuine interest in helping the bowlers in Kent. A job will be found for you.

Thus ends my report to the members of KTBA.

Alan Haley - Treasurer
